Possible additional income from the marketing of TV-rights, advertising rights or any other business related to the VELUX EHF Champions League 2012/13 will be at disposal for distribution according to the 80:20 split in accordance with the regulations. Any details regarding the distribution system of an additional income will be dealt with and worked out in cooperation with the EHF Marketing Club Board as well as the EHF Marketing Advisory Board.

The income from spectators (up to and including the quarterfinals) remains with the clubs as in the past seasons.
