The exact rental fee, the prices for installation, tapes and shipment are communicated upon request. The costs for storage and custom duties have to be borne by the club. Material order and shipment are organized by EHFM in good time prior to the event. Cleaning, removal and storage are within the club's responsibility.

The EHF transfers the use of advertising rights for the 2015/16 season to EHF Marketing GmbH (EHFM) and entitles it to undertake the respective measures with regards to the usage of these rights.

"EHF" under the present chapter refers also to EHF Marketing GmbH.

1 GENERAL ASPECTS

1.1 HALL PREPARATION

Exceptions are subject to written EHF approval. This includes the playing court and its surrounding area, the VIP room(s), the press conference room as well as the spectator areas.

Costs arising due to a delay in the availability of the playing hall have to be covered by the home club.

1.2 PRESS CONFERENCE ROOM

Beginning with the Qualification Tournaments the press conference room shall be free from any advertisement, which is not in compliance with the present regulations or not expressly agreed upon by the EHF. This also includes food and beverages as well as any other items that might be placed in the press conference room.

1.3 VIP ROOM

Beginning with the Qualification Tournament the VIP room shall be free from any advertisement, which is not in compliance with the present regulations or not expressly agreed upon by the EHF.

1.4 FLOOR ADVERTISEMENTS

1.4.1 Maximum number of floor advertisements

Beginning with the Qualification Tournament the number of floor advertisements during VELUX EHF Champions League matches shall be limited to 11 floor stickers (including the centre circle) on the playing court.

Additionally, a maximum number of 6 floor stickers of official EHF sponsors and partners may be positioned outside the playing court, on area surrounding the playing court.

1.4.2 Placing of floor/board advertisements

The basic advertising set-up defined here under shall be complied with during each VELUX EHF Champions League match. Notwithstanding for foregoing, any specific instruction from the EHF and/or respectively the EHF Marketing Supervisor, concerning the exact size and positions of the floor/board advertisements shall be implemented by the clubs.

1.4.3 Distribution of floor advertisements rights

1.5 OFFICIAL MATCH SHIRTS

Upon request by EHFM, each club participating in the Group Phase of the VELUX EHF Champions League shall provide official match shirts (with official badge) to EHFM. EHFM will cover the cost price for the shirts ordered.

2 QUALIFICATION TOURNAMENTS TO QUARTERFINALS

2.1 GENERAL ASPECTS

Starting with the Qualification Tournaments all advertising rights are centrally marketed by EHFM. Board and floor advertisements marked with number 1 (see chart), as well as the playing court surrounding area including the goals (net & goal posts), the areas next to and inside the goals and the centre circle (diameter of 4,5 m) are reserved for EHF/M sponsors. Board and floor advertisements marked with number 2 (see chart), are reserved for established long-term club sponsors. The EHF/M reserves the right to refuse the presence of a club sponsor, if a long-term partnership cannot be proved by the club accordingly.

An electrical advertising board system, fulfilling the minimum requirements, as defined in the Electrical Advertising Board System Manual, shall be set up for each match of the VELUX EHF Champions League, displaying animations for the official EHF/M sponsors and selected and approved club sponsors. A static barrier board system shall be set up on each of the short sides of the playing court. The home club is responsible for the setup, removal and operation of the electrical advertising board system.

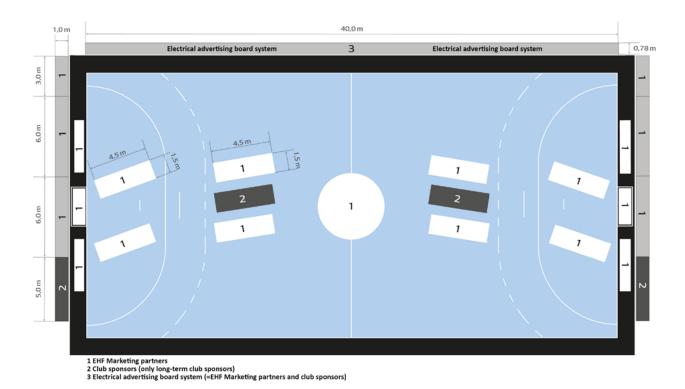

In the unlikely event that the electrical advertising board system cannot be set up, due to damages or other insolvable challenges, a static advertising board system shall also be used on the long side of the playing court (see chapter VII, point 2.4).

2.2 DISTRIBUTION OF RIGHTS USING AN ELECTRICAL ADVERTISING BOARD SYSTEM

The electrical advertising board must have at least dimensions of 40 length and 0,9m height. An electrical advertising board is set up on the long side and static barrier boards on each of the short sides of the playing court. The home club has the right to position club sponsors on the following areas (see positions marked with number 2 in the chart below):

- 2 static boards of 5x1m, one on each short side of the playing court
- 2 floor stickers of 4,5x1,5m, one along each 9m-line
- 10min of TV relevant electrical advertising board presence (20 thirty-seconds sequences for max. 8 long-term club sponsors) on the full length of the electrical advertising board system

All other positions are reserved for EHFM sponsors and partners.

The playlists for each match will be generated by EHFM. The club will receive the playlists (excel file) at least three (3) days before the respective match. Minute allocations as well as the exact position for every single animation will be defined in the playlists. The home club is responsible to programme the electrical advertising board system software according to the provided playlists. Animations of EHFM sponsors and partners will be generated and distributed by EHFM according to the electrical advertising board system specifications, provided by the club prior to the season. Any changes and/or updates to the provided specifications have to be communicated immediately to the EHFM by the club.

The EHF marketing supervisor is responsible to verify the final playlist on the match day. Any variances from the approved EHFM playlist are not permitted.

The home club is entitled to include a maximum of eight (8) different club sponsor partners, splitted on then (10) minutes, to the playlist. The production of the animations for the club sponsor partners is within the responsibility of the home club and has to follow the guidelines given in the Electrical Advertising Board System Manual. Each animation for a club sponsor partner which should be included into the playlist needs the approval for EHFM. Therefore a preview file of the animation has to provide to EHFM at least five (5) days before the respective match.

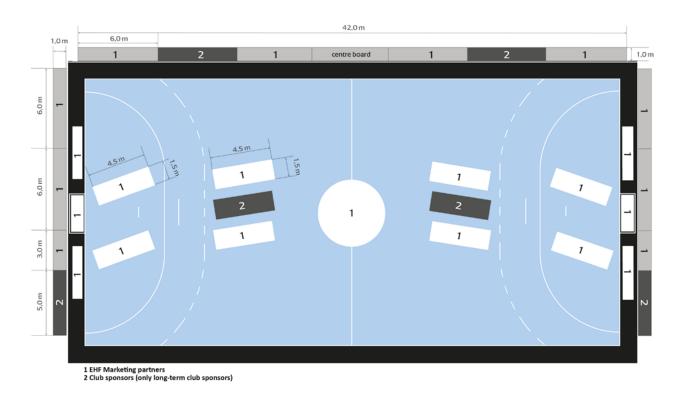

2.3 DISTRIBUTION OF RIGHTS USING STATIC BARRIER BOARDS

The static barrier board system on the long side of the playing court is only used, if the electrical advertising board system cannot be set up, due to damages or other insolvable challenges. The final decision about the use of a static barrier board system is up to the EHF/M and the EHF marketing supervisor respectively.

In this unlikely event, a static advertising board system (wooden back board) of 1m height has to be provided by the home club free of charge. This static board system shall be set up on the long side and each of the short sides of the playing court. Any other type of static barrier board system is subject to approval by EHFM. The home club is responsible for shipment, setup, removal and storage of the static board system.

The home club has the right to position club sponsors on the following areas (see positions marked with number 2 in the chart below):
