4 THE WOMEN'S EHF CHAMPIONS LEAGUE FLOOR

4.1 GENERAL

The Qualification tournaments of the WOMEN'S EHF Champions League shall be played on floors with handball lines only. Starting with the Group Matches, each club participating in the WOMEN'S EHF Champions League has to play its home matches on the official WOMEN'S EHF Champions League floor produced by Gerflor (colours: blue-lagoon and black).

A floor responsible of the club has to be nominated and contact details (name, phone number and email address) of the floor responsible have to be communicated to the EHF/M.

The Floor Installation Manual is provided to the clubs with all relevant floor related information.

4.2 RENT OR PURCHASE MODEL

EHFM offers two options: the rent and the purchase model. In both cases the official flooring system shall only be rented or purchased from EHFM. Exceptions are subject to approval by the EHF.

4.2.1 The rent model

EHFM provides the official floor to the home club for a rental fee charged for each match played on the floor. The floor stays in EHF/M property. The exact rental fee is communicated upon request. The costs for installation, lining and storage tapes (material only) as well as the shipment are covered by the rental fee. Material order and shipment are organized by EHFM in good time prior to the event. Cleaning, removal and storage are within the club's responsibility.

4.2.2 The purchase model

EHFM gives the home club the opportunity to either buy a new or a used floor. Availability of used floors is limited. The buying price of a floor depends on shipment costs and the condition of the floor. Exact prices are communicated by EHFM upon request. Payment conditions are worked out by EHFM in close cooperation with the home club. The club may choose from different options regarding shipment and installation offered by the EHFM. Once the floor is club property it is the home club's responsibility to organize appropriate material in time (recommendations are given in the Floor Installation Manual). EHFM does not take on material orders, but will of course support the home club with relevant information.

4.3 PRODUCTION AND TRANSPORT

The official WOMEN'S EHF Champions League floor is produced by the EHF floor partner Gerflor and shipped to the home club in good time prior to the respective match of the WOMEN'S EHF Champions League. In case the home club is located outside of the European Union, it is the club's responsibility to prepare all documents needed for custom clearance together with EHFM. After having received the official EHF Champions League floor, the club is obliged to fax or e-mail all existing custom documents to EHFM.

4.4 FLOOR INSTALLATION

Each installation should be carried out by at least 6 people from the home club. Detailed technical instructions are provided in the official EHF Floor Installation Manual. On the occasion of the 1st installation, technical assistance may be provided by a Gerflor technician sent by EHFM. The first installation is generally done with double-sided tape. EHFM advises the home club not to use single-sided tape for the installation, especially if the floor is installed for more than one match. EHFM does not take the responsibility for the stability of the floor. In case the area that surrounds the floor is coloured in a way, that has a negative impact on the appearance on TV, the home club is obliged to cover this surrounding in a more decent colour (preferably carpet with anthracite colour).

4.5 FLOOR MAINTENANCE

The home club agrees to keep the floor clean and in good condition (valid for rent and purchase model). In case damages occur, the home club has to record the defective areas and communicate this information to EHFM as soon as possible. Maintenance costs have to be covered by the home club.

4.6 STORAGE

As long as the floor is in EHFM property, the home club is responsible to store the official floor carefully following the instruction given by the floor supplier and the club is also liable for all damages caused during that time. Floor stickers have to be removed and the floor has to be cleaned before storage. If the home club rents the floor and drops out of the WOMEN'S EHF Champions League, a possible storage facility close to the playing hall has to be communicated to EHFM. The final decision of the storage facility will be taken by EHFM after having analysed each case individually.

5 VENUE INSPECTIONS AND AUDITING

The basic venue requirements set-up by the EHF shall be adhered to. The EHF has the right to inspect the playing hall of a participating club in order to make sure that these minimum requirements in terms of technical, organisational and marketing matters are fulfilled by the home club. The combined effort of the EHF and the home clubs in ensuring high quality standards is indispensable to meet the expectations of spectators in the playing hall, spectators on TV and sponsor partners. A first check before the season as well as a further check during the event ensures the smooth running of

the operations in each area of the organisation. A reporting system guarantees a steady improvement for forthcoming seasons.

5.1 DUTIES OF THE HOME CLUB

The home club has to be represented by the club management. Moreover, the presence of local persons in charge for the individual topics (playing hall, press/TV and marketing) within the complete duration of the inspection has to be secured by the club. In case of no fluent English knowledge a translator has to be present.

Furthermore, the club is responsible for organising local transport and (eventually) accommodation for the inspecting EHF official.

In the 1st site-inspection the cost for travel expenses as well as the daily allowance of the inspection is borne by the EHF, the cost for local transport and board and lodging (if necessary) of the EHF official has to be borne by the home club.

In case of a 2nd inspection (audit) all cost are to be borne by the home club.
